

2019 Child Life Donation Process

Thank you for considering a donation to Children's Hospital of Richmond at VCU. Your generosity helps us provide comfort and normalization for kids in our hospital and clinics.

New holiday donation process

With the construction of our new inpatient children's hospital, our former storage space has been replaced with off-site storage generously donated by the Willow Tree Foundation. We look forward to accepting holiday donations on four designated days in December at our storage facility:

December 19	7 a.m. – 3 p.m.	Location:
December 20	10 a.m. – 6 p.m.	Life Storage
December 21	11 a.m. – 7 p.m.	8016 Rutland Center Blvd.
December 23	7 a.m. – 3 p.m.	Mechanicsville, VA 23116

Where do donations go?

Donations are shared year-round with patients in all CHoR settings, including acute care, pediatric intensive care, Evans-Haynes Burn Center, emergency room, Children's Pavilion, outpatient clinics and Virginia Treatment Center for Children.

No time to shop?

Monetary gifts are particularly helpful as they allow us to purchase higher dollar items for the benefit of multiple patients, such as the new air hockey table in our inpatient unit, sensory items in the ER and a comfort cart. They also allow us to use funds throughout the year as needs arise, such as replenishing or upgrading toys in the playroom, expanding into new areas of the hospital or restocking our supplies of commonly used items such as bubbles, stress balls and medical play items.

Monetary gifts can be mailed to:

Children's Hospital Foundation
Attn: Sarah Irby
2924 Brook Road
Richmond, VA 23220

Please make checks out to Children's Hospital Foundation and indicate that the gift is for the Child Life department in the memo line.

**Please contact the Child Life department with questions.
